- Is This You?**
- **Searching for a career?**
 - **Enjoy working with your hands and seeing the results?**
 - **Looking for excellent pay and learning new skills?**

The North Atlantic States Carpenters Training Fund and the Sisters in the Brotherhood are offering a Pre-Apprentice Program, which can lead to a five-level apprenticeship program with the Carpenters Union. A career in the union provides great wages, excellent benefits including a pension and annuity. This program is an ideal opportunity for women who have never considered carpentry as an accessible career option.

The Pre-Apprentice Program allows for a trial period to find out if carpentry fits your career path.
